

Set of hanging

Thank you very much for choosing our company's products.
Please be sure to thoroughly read these instructions for assembly in order to properly and smoothly assemble or attach this product.

Installing

- ① Affix two-sides tape on the back of hanging holder body.
 - ② Place the installation of hanging body to the post (longitudinal) and affix the body with two-sides tape as a make shift.
 - ③ Fix the body with 4mm eye screws at six points.
- ※ There is no necessity to processing holes.
 - ※ Attach the screws (4×16) and washers from the place of hanging cover.

Notice ▶ Use less than $\phi 40$ hanging pole.

Notice ▶ The pole is only against 15kg. Over this rang, the product may be damaged.
